The following is just one of the reviews that they've received:

“The skill, professionalism, and diplomacy exhibited by Camilla and the Corazon Events team during the planning and execution of my daughter’s Bat Mitzvah was beyond compare. Our unique family dynamic presented many challenges that Camilla navigated with tact and aplomb. Her emails and communications were always polite and professional. Throughout the process, Camilla remained forthright and impartial; expressing her opinions succinctly and articulately. Camilla ably accommodated the demands of various headstrong individuals, all while incorporating a myriad of different styles and tastes into a seamless confluence of imaginatively themed media. Needless to say, the events themselves were carried out to perfection. The catering, room layout, and timeline were precise and well organized. The elegant flowers and decorations created a lively, fun, and festive atmosphere. It was a very special night for me and my family. I am grateful to Corazon Events for making it happen.” -Josh R.

A One-of-a-Kind Event Planner’s Secret to a Strong Online Reputation

We got a chance to speak with Camilla Dominguez, the owner of [Corazon Events](https://www.topratedlocal.com/corazon-events-reviews) (<https://www.topratedlocal.com/corazon-events-reviews>), about her business' sensational online reputation.

If you ask Camilla, she'll say the secret to her business' success is honesty. She is highly invested in ensuring that her clients have a phenomenal experience, saying, "We just truly put the client first, and we truly work with every client's style and budget. We're not a one-size-fits-all type of event company, so everything we do is 100-percent customized to our client's needs."

Making the World a Better Place By Making Moments To Remember

Making dreams happen is the name of the game for Camilla and her team. In fact, that's the whole reason she got into this business in the first place. "I do what I do because I am inspired by connecting people to their dreams, and most of our events are memorable events or milestone events," she said. "So, I would say helping people achieve their goals and making things memorable and becoming part of their memories is my passion. It's equally as gratifying for us as it is for them, because it's a day that our clients will remember forever and so will we."

Thank you for speaking with us, Camilla! Congratulations to the team at [Corazon Events](https://www.topratedlocal.com/corazon-events-reviews) (<https://www.topratedlocal.com/corazon-events-reviews>) for being a 2019 Top Rated Local award winner!
